Re: Docket No. 24481 –*Designation of Common Carriers as Eligible
Telecommunications Carriers (ETC) to Receive Federal Universal
Funds Pursuant to the Federal Communications Commission's
Fourteenth Report and Order Adopting a State Certification Process*

To Mr. Galloway:

On behalf of CGKC&H #2 Rural Limited Partnership d/b/a West Central Wireless and d/b/a Right Wireless, ("WCW"), I am submitting an original and eleven (11) copies of an executed affidavit on behalf of WCW concerning the above proceeding. On June 11, 2007, WCW was designated an Eligible Telecommunications Carrier ("ETC") by the Public Utility Commission of Texas ("PUC") in Docket No. 34207. As a newly-designated competitive ETC, WCW now submits the enclosed affidavit in order to comply with the state's annual certification process pursuant to PUC Substantive Rule 26.418 (j)(1) regarding carriers' use of Federal Universal Service Fund (FUSF) support. The state's certification submittal deadline is September 1, however, provisions in 26.418(j)(2) allow for subsequent certifications to be filed with the PUC. WCW respectfully requests that the PUC certify that the company is eligible for federal high cost support effective June 11, 2007 and further provide assurance to the Federal Communications Commission ("FCC") and to the Universal Service Administrative Company ("USAC").

WCW requests the PUC provide such certification to the FCC and to USAC on or before the August 10 deadline established by USAC and in accordance with provisions in CFR §54.314 (d)(6)(vi), which permit support retroactive to June 11, 2007, the company's ETC designation date. Support includes the Interstate Access Support funding. Should the FCC and USAC not receive the PUC certification by the August 10 deadline, WCW understands that it will not be permitted to receive support retroactive to its ETC designation.
